

Airport Hangar Kit

Thank you for downloading the Airport Large Hangar Kit. I know you will be pleased with the final product. Before you get started, here is a list of what you'll need:

- Paper for printing. For best results I recommend using a High Quality Matte Photo Paper or Premium Cardstock Paper (110lb weight).
- X-Acto knife
- Cutting board
- Metal ruler
- Stick glue
- Cement glue
- Scissors
- Tape
- Latest version of Adobe Reader (you can download it here: <http://www.adobe.com/products/acrobat/readstep2.html>)

For a detailed description on how to build this kit, please check out the page:

<http://www.airport-diorama-designs.com/model-airport-buildings-page/model-airport-airplane-hangars-large/>

On this page there is a video explaining the complete building process for both of the hangars.
